

Virginie-Allaire Scholarship Masters Studies

The [Université de Montréal Marguerite-d'Youville Research Chair on Humanistic Nursing Intervention](#) will award a Master's scholarship to a student enrolled part-time or full-time in the Faculty of Nursing at the Université de Montréal (UdeM).

The number of scholarships and the amount awarded may vary (from \$10,000 to \$20,000) depending on the funds available and the student's enrolment status (part-time or full-time). The scholarship is for one year.

Eligibility criteria

- Be enrolled in the Master's program in the Faculty of Nursing at the Université de Montréal
- Be conducting a study aligned with the objectives of the Marguerite-d'Youville Research Chair and be supervised or co-supervised by the Chairholder
- Have advanced through the program of studies according to the stipulated timeframe (depending on full-time or part-time status)

Note: In the event that the Chair receives applications of equal quality, the scholarship will be awarded to the candidate who is receiving the lower total amount of scholarships during the year.

Evaluation criteria

- Excellence of the candidate's academic record
- Relevance and quality of the project (explicit links with the objectives of the Marguerite-d'Youville Research Chair)
- Research skills (e.g., scientific rigour, intellectual curiosity, critical thinking, ethical conduct, etc.)
- Prizes, bursaries and honours received
- Communications and publications
- Research and teaching experience (if applicable)
- Letter of recommendation from a professor other than the Chairholder

The scholarship committee will pay particular attention to the candidate's cover letter and letter of recommendation, which should highlight the student's special interest in humanistic care, as well as their intellectual qualities, academic achievements, ability to exercise leadership in the profession, and potential for advancing the discipline of Nursing.

Application file

- A letter of introduction to the attention of the members of the evaluation committee
- A curriculum vitae
- A summary of the research project (problem, goal, method, anticipated impacts): a document of no more than five pages (2.5 cm margins, Times New Roman font, one-and-a-half line spacing), excluding the list of references
- Official transcript(s) of grades: bachelor's and master's (if applicable)
- A confidential letter of recommendation from a professor other than the Chairholder
